

# Summer Camp 2022

**BOYS TO MEN**  
DOUGLAS COUNTY

In 2022, the 13 boys who attended summer camp studied the New Testament book of Galatians. Possibly the first NT book (written around 49-50 A.D.) it was given to correct the false teaching that a person can be justified in God's sight by observing laws and following rules. "Well," you may ask, "what does justify a person?" Look at Galatians 2:16 for the answer.

Check back here in the spring of 2023 for details about our 21st Annual Boys to Men Summer Camp.
